## Republicans Sweep Northfield Elections in November 2006

In November of 2006, the party at the national and state levels suffered a setback, and the Republican majority on the county Freeholder Board narrowed by another seat.

But not in Northfield! With great candidates and a dedicated grassroots membership, Republicans took control of the City Council back from the other party. Energetic incumbent Tim Carew and dedicated new councilman Steve Vain both ran outstanding campaigns. On Tim & Steve's coattails, every Republican on the ticket, from US Senate on down to the freeholder candidates, won in the city of Northfield, bucking the state and county trends.

Candidate	Votes	Percent
<b>Council Ward 1</b>		
Timothy Carew - R	702	55.8%
Julie Zlotnick - D	554	44%

Candidate	Votes	Percent
<b>Council Ward 2</b>		
Steve Vain - R	848	58%
Guy Schlacter - D	614	42%

## Northfield's New City Council President, Cindy Kern

With the Republican victories in Northfield, the party took control of the City Council. Councilwoman Cindy Kern was unanimously elected to the Presidency of City Council, and is the first woman to hold that position.
